

CT 332 SD

electronic detectors

TPVcenter

Fast, updateable and with auto-detection!

A new generation of detectors is born: smaller, quicker and with automatic currency detection! The **CT 332 SD** checks all Euro notes and is standard equipped with a second currency.

The **CT 332 SD** and its (optional) rechargeable battery, the sophisticated report function and the update possibility of the machine via the built-in micro SD card reader or USB: we can't make it easier for you!

And of course: 100% result in the Euro counterfeit test!

- ▶ updateable for new notes and other currencies
- ▶ auto-detection
- ▶ 4-way input
- ▶ report function
- ▶ very quick: less than 0.3 second
- ▶ rechargeable battery **OPTIONAL**
